\*Product image may differ from actual product

## Style, comfort and audio quality

Built for style with a sleek design that focuses on comfort and reliability. Poly signature audio quality so you know you will sound great. And intuitive and simple features so every user can connect to their preferred device simply and easily.

### Connect quickly and easily

The Blackwire 3300 Series is completely plug-n-play with USB devices, so users can take calls in the office or on the go. Its robust design delivers reliability you can count on. This is the hassle-free headset you've been looking for.

### Look good, feel good, sound amazing

You wear a headset all day long – better pick one that looks, feels, and sounds great. Boost your on-the-call confidence with professional-quality audio and a customized fit with a headset that can connect to your devices quickly and easily and is ready to go with you wherever you go.

## Featuring

### High-quality audio

Makes collaboration easy with Poly signature audio quality and reliability.

### Wearing style

Hi-fi stereo wearing style for those who want a richer, more immersive experience.

### Flexible microphone boom

With professional voice quality and a customized fit, this fully adjustable headset has 180-degree pivoting speakers and a flexible microphone boom.

### Long-lasting comfort

Supports long-wearing comfort with a plush, padded headband and pillow soft ear cushions.

### Connectivity

Select the right option for your device: USB-A or USB Type-C® for PC and 3.5 mm for mobile connectivity with select models.

### Optimized for communications platforms

An IT manager's dream, this headset was created for communication and is optimized and certified to work with top virtual meeting providers.

# Poly Blackwire 3325 USB-C Headset
